Ian has finally gotten info from the state, they said it was done a month ago. We have an EIN number for EBCA, Ian is in process of applying for IRS recognition. Ian is working on the application, should have it on the way to the IRS and by next meeting have an update on that piece.

4. Guest Presentation: Enosburg Recreation – a community park for all - Ivonne Kio

Project to turn the rec field into a community park, taking into consideration different age groups, walking path, community garden, playground. Long term project. Looking for our support. In 2018 Enosburg Recreation applied and received a Municipal Planning Grant, for the next year they worked with SE group using community feedback and came up with a master plan for the park. Project website is <https://sites.google.com/view/recfieldsproject/home> Please visit the site and view the project plans and feel free to join the committee. The committee meetings are the first Tuesday of the month at 5pm via Zoom, email Ivonne to get on the mailing list for the zoom link.

5. Christmas in Enosburg

It's time to start planning a slightly different look this year. Lights in the park could look different, Sandy is going to look at a structure she had seen in another community that we had thought about for our park. Should we do some sort of business competition or window or porch competition. Parade could be slightly different, need to discuss with trustees a different route, Santa leading off the parade in grand style and lighting the park at the start instead of the end. We decided we would start meeting every other Tuesday at Dianna's office at 8am starting 9/22. All are welcome, lots to discuss. Trustees Meeting on the 22nd. Shawna will email to get on the agenda.

6. New Business

Sandy Ferland got a phone call from Sean needed a letter for a grant to fund Enosburg Downtown dollars program to Boost the buy local mindset, she wrote a letter of support on behalf of the EBA.
