EBA Money Market 5,139.94

Total Checking/Savings 9,529.84

\$4840.52 Harvest Fest account.

Suzi motion for treasurer's report, Second by Brenda. Voted/ approved.

- **Vaughn Comeau** getting an electric vehicle. He wants to put in a charging station, wants to put in a public charging station. Wondering if EBA or members would be interested in contributing money toward the cost, \$400/ year for the electric costs. We are not sure about the location. Sean wonders if there is a grant opportunity for charging station for municipalities. Consensus is that we think it is a good idea and would like more information if we can get Vaughn to share that information with us. Jonathan noted that for an electric utility it is lost revenue for various reasons, depends on usage. Swanton has lost several hundred per month for the charging stations.

Flyer Discussion:

Sandy discussed the previous flyer that we had made and that we should update and have that printed. It is a good companion to the one that Sean did.

Shawna motion to update/ tweak and reprint. Second by Brenda

Cost of Printing of the flyers created by Sean Kio \$147.57

Suzi let people know about the event at the 1906 House information sent out on 8/27 -(30 people can attend.)

Motion to adjourn Suzi, Brenda.
