**Membership update:**

RL Valley membership from the chamber?

Setting account up to square and that code will be on the pamphlet

Do we open this up to community members? Overall, our by laws allow this by what do they say about members.

There are no designations about the officers being members. Should we update the bylaws to reflect this. EBCA

(Enosburg Business & Community Association dba EBA) should be reflected in the new pamphlet and media. Mailchimp

email service you can format, free for under 200 subscribers, Suzi suggests we should consider using this. Can be utilized

for newsletters etc. Social Media- Ian willing to take it on. Make Ian an admin. There is much that can and should be

done via social media, however everyone agrees it is the time. Ellen suggests we could highlight a business each week.

Ian is willing to investigate this. Catalogue of business pictures etc. Scheduling posts for the month. How can we

engage Cold Hollow? Thank you, Ian, for taking the lead

**3. EBA legal business identity update**

We have not seen anything in the mail, Ian said it could take several months. Ian doesn't believe there is a location to accept. We have been charged for the process. Ian will try to look into it to see what info he can find.
