4. Christmas in Enosburg wrap up

Shawna gave final figures for Christmas. There was unexpected expense for lights for the structures, but David was also able to fix a number of them so we will have extra sets. Suzi suggested we solicit donations for lights going forward as we haven't been able to do normal fundraising etc. Will discuss later in the year.

5. Summer planning

Shawna brought up the idea/ hope to organize Food trucks and music on Lincoln Park. Once per month June/ July/ August. Suzi wondered about a Grant program. Highgate/ Montgomery do these, maybe reach out to their organizers to see how they get started? Shawna has approached a couple of banks who were interested in sponsoring. Hope to get started planning in February. Ellen noted that John Montague books artists for St. Albans Bay Farmers market, he might be a good contact she also mentioned some food vendors: Mr. Pickle, Waffle House, Phoenix House, Paisley scoops of course.

We decided that the Popcorn machine has served a good life and even with Ian's valiant efforts last year we really need a new one. Sandy Ferland will research options.
