-Kim & Suzi were going to write one, if they haven't Shawna will take a stab at it. To be finalized at the next meeting. The goal is to get people involved and getting people on the email listing. So, some kind of promotion around that to get people for the end of the year.

Ivonne Kio- would she help us with a logo? Shawna will reach out.

Facebook business posts- Shawna will send email to businesses who are members.

Claire Stanley looked at our website and said the bones are good. Katherine will follow up to see if she thinks she can help us and what a fee might be. Should we create an Instagram page?

6. EI updates (given by Ellen Stanley)

At the current moment working on a summation document of the vital village at this point to present to Jon along with a timeline of things to work on before next March and the next grant cycle.

Quick Build happening is the crosswalk project. Moving the crosswalk from the corner of Dickenson & Main-north more in front of Dianna's office.

7. New Business: Enosburg Town Band, Sat July 23rd at 6:30pm at the Cold Hollow Sculpture Park

There is an Eventbrite for sign up. Wonderful way to get locals to the sculpture park.

Katherine mentioned we really need to see momentum to get a sidewalk up to Community National Bank and recreation fields. Shawna mentioned needs to be brought to trustees, really something the Recreation Board should get behind. EBA should also support this. Something to keep tabs on.

Katherine mentioned she received an email about the board by the Cemetery on main street. It was expressed that it should be utilized in a better way to share event information. We also discussed that it was a good way to recognize new businesses to town, thank people for volunteer efforts i.e. The daffodils, fence project etc. We believe that Sandy has the key and letters, wondered about a central location where we could access it. Doesn't have to be any one person. Maybe it could be updated bi-weekly? Just thoughts, to be discussed.
